Tablet PC and Smart Handheld Devices	1 year return to base.
Acer Mixed Reality Head-Mounted Display (HMD)	1 year return to base.

General Provisions and Exclusions

Acer warrants that the device you have purchased is free from manufacturing defects in materials and workmanship when dispatched from our warehouse. During the warranty period as indicated above, the Acer Authorised Repair Centre will, at no additional charge, replace defective parts with new parts or serviceable parts that are equivalent to new parts in performance. All replaced or exchanged parts, which are taken out under this warranty, become the property of Acer. *Onsite services are strictly limited to a distance not exceeding 50 km from an Acer authorised service provider. In the event where an onsite service provider is not available, Acer will make arrangements to have your device repaired at our service centres, using one of our nominated logistics partners. In the event of a return to base warranty repair, it remains the users responsibility to ensure they suitably pack their device to ensure safe transit to our service centre. All goods must have a repair authorisation number issued by Acer, prior to being sent into our service centres.

This warranty does not extend to any product purchased from other than an Acer Authorised Reseller. This warranty does not apply and, at Acer's discretion, becomes void if the product has been physically damaged or rendered defective: (a) as a result of accident, misuse, or abuse, or other circumstances beyond Acer's control; (b) by the use of parts or peripherals not manufactured or supplied by Acer; (c) as a result of normal wear and tear; (d) by use within an improper operating environment; (e) by modification of the product; (f) by the serial number being removed or defaced; (g) as a result of services rendered by anybody other than an Acer Authorised Repairer; or (h) as a result of the product being operated otherwise than in accordance with Acer's instructions.

Software-related faults resulting from incorrect software installation or usage or software viruses or software inherent bugs shall not be considered as product faults and may incur a charge for rectification, if requested. It remains the users responsibility to keep useable archive backups of all data and to reload all software following any maintenance or repair work (except the operating system). Acer is not responsible for damage to, or loss of, any programs, data, or removable storages media, including any consequential loss or damage. Acer is also not responsible for future upgrades of software products bundled with Acer products. All devices repaired by Acer's service centres will be restored to their original factory configurations.

Repairs made by Acer Authorised Personnel will be chargeable at current applicable hourly rates to you if: (a) the technician finds the problem is user related; (b) caused by change in normal settings of the computer, or (c) software issue not covered under our standard warranty. This warranty is given in addition to the other remedies that are conferred to you by the law. As part of Acer's validation and/or verification process, we reserve the right to undertake further assessment of the device, or ask the user to undertake simple and reasonable troubleshooting measures to test their device. We appreciate your cooperation in this matter.

Pixel Policy

The LCD screen is manufactured using high precision technology. Due to the complex nature of the manufacturing process, the screen may have cosmetic defects that appears as (bright, dark and colour) dots on the screen. This does not impair the performance of the product and is not considered defective in the industry. Acer reserves the right to refuse a warranty claim for repair or replacement of the LCD panel if the number of defective dots falls within the manufacturers specification.

LIMITED PRODUCT WARRANTY STATEMENT

FOR ALL ACER BRANDED CONSUMER AND COMMERCIAL DEVICES SOLD IN AUSTRALIA AND NEW ZEALAND

THIS WARRANTY STATEMENT IS NOT APPLICABLE TO ACER BRANDED SERVERS OR ENTERPRISE STORAGE

This limited hardware warranty is in addition to any rights that you may have under the Australian Consumer Law (ACL) or the New Zealand Consumer Guarantees Act (CGA)

All batteries, either removable batteries or those contained within an Acer mobile/portable device, carry a one year limited hardware warranty regardless of the length of the system base warranty. In addition to the one year limited hardware warranty on all batteries, some customers may have purchased a separate warranty uplift for their batteries providing specific warranty coverage for either two or three years in total.

In the instance whereby a separate battery warranty uplift has been purchased, in addition to the system base warranty, Acer will apply a reasonable depletion factor of up to 20% per year for three years, after which the battery will be considered to have served its intended lifespan.

Making Warranty Claims for your Acer Battery:

As part of Acer's validation and/or verification process, we reserve the right to undertake further assessment of the device, or ask the user to undertake simple and reasonable troubleshooting measures to test their battery. We may also ask the user to use our online battery testing tool (and send us the results) which is available at www2.acer.com.au/tools/AcerBattery.exe

To ensure your claim is processed in the most efficient manner, please be sure to clearly outline the following details when calling Acer's contact centre or when raising an online service request via Acer's online helpdesk;

- A very clear and detailed description outlining the problem and/or concern with the battery
- The SNID number and serial number of the Acer notebook or tablet device
- Please also advise on whether the Acer Battery Test tool has been run to check the condition of the battery, and inform us of the results
- Please indicate both the **Max Capacity** and the **Design Capacity** as these will be used to calculate the current battery performance

Example: Max Capacity 58359mWh / Design Capacity 62160mWh = 93.89%
