- One-year International Travelers Warranty (ITW)

---

1. Specifications vary depending on model.
2. Battery rating is based on MobileMark 2007 power source, as several partial charges can add up to a full recharge.
3. The listed battery life is based on MobileMark 2007 power source.
4. Bundled software may vary depending on hardware configuration, OS and regional availability.
5. Actual throughput may vary depending on network conditions and environmental factors such as network traffic or operating environment.
6. The SSD is integrated with the mainboard and dedicated to Acer Green Instant On. It is not visible in the specification.
7. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment.
8. Two VQE-enabled Acer notebooks with dual-core processors are required to enjoy the exclusive benefits and overhead, building construction, and access point settings.
9. After a certain amount of time in Sleep mode, the computer will automatically enter Deep Sleep to preserve battery life. When the computer is in Deep Sleep, the power indicator LED will turn off. In this state, battery life lasts up to 80 days.
10. Bundle software may vary depending on hardware configuration, OS and regional availability.
11. The ratings vary depending on the geographic region and specifications. 265-day trial for China, Taiwan, Hong Kong and Singapore (Simplified Chinese and Traditional Chinese OS models); 60-day trial for other regions.

---

As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called “non-conforming pixels.” This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acer’s warranty.
