

Acer recommends Windows.

When choosing a laptop for school there are many factors to consider: portability, usability, performance, productivity. With its 11.6" display, capable processor, plenty of memory, large hard disk, lightweight and thin design, the TravelMate B116 ticks off all students needs.

In addition, thanks to the [Acer Classroom Manager](#), downloadable from acer.com, teachers and trainers can make their lessons more efficient and compelling.

TravelMate B116

- Fan-less design for ultra-quiet computing
- Slim and light
- 11,6" display with Acer BluelightShield™
- Full-size keyboard for a great typing experience
- Precision Touchpad for optimal mobile computing

Your best classmate

Acer recommends Windows.

Fan-less design

Boosted mobility Dashing looks

Total security

Superior typing experience

Easy manageability

Unique design

Do you want to lug around a heavy, nondescript notebook? Of course not. With its unique FlowCurve design the **TravelMate B116** looks sporty and bold. The perfect accessory to be seen around with at school. The body is only 21.2 mm thin, and the tapering side edges make the B116 not only look even slender but also easier to grab. Moreover, it's lightweight enough to fit into any backpack or messenger bag.

Impeccable performance

Packing powerful Intel Quad-Core processors, Intel® HD graphics, and up to 8GB of memory and Windows 8, the TravelMate B116 ensures very smooth everyday computing allowing efficient multitasking. Students will be able to tackle school projects and homework as well as enjoy extra-curricular activities, such as social networking, video-chatting. Built-in high-performance Gigabit LAN and wireless supporting AC translates into fast Internet speed, even where Wi-Fi connectivity is erratic, supporting learning in and out of the classroom.

Comfortable computing

Featuring a smart fan-less design, the TravelMate B116 is extremely silent even after prolonged use, so it is perfect to be used in quiet environments. The full-size keyboard makes all the difference when you need to write at length, while the new sleek Precision Touchpad offers more precise interaction.

The 11.6" **Acer ComfyView™ Anti-glare display** enables a crisper view with richer colours and higher contrast even outdoors, while Acer **BluelightShield™** technology reduces the harmful blue-light emission to protect the user's eyes.

Ready for work

Powerful sound quality and a webcam with HDR support mean more enjoyable video calls and learning online conference, for better collaboration. All essential ports are available. To keep cables out of the way HDMI, USB, and Ethernet ports are placed on the rear panel, while the most frequently used ones, such as audio jack and SD card slot are placed on the left side. Students will want their photos, their music and even their games on the device, and with up to 1TB of space they can store pretty much everything they want.

Built-in manageability and security

Easy manageability is a key feature for organizations. The TravelMate B116 comes with **Acer Office Manager** so that users can deploy security policies, monitor IT assets and set maintenance tasks even without dedicated IT staff and equipment. Acer ProShield allows users to maintain their credentials, data protection and web accounts. For added security, users can log in via webcam and face recognition technology.

Warranty extension program

All Acer notebooks come with a standard Warranty® that also includes the International Travelers Warranty - ITW - for the first year. With the **Acer Care Plus**, the warranty coverage can be extended up to 5 years with a priority repair service.

Adding the Accidental Damage Insurance, the notebook is also protected in case of any accidental, sudden, and unforeseen damage by external means which affects the operational functioning of the product. Another extra option is Data Recovery service for the Hard Disk Drives.

Some features require Windows 8.1 Update. The update is available through Windows Update. Internet access required; fees may apply.
