

Chromebook C740 for Education

Redefining the Chromebook experience

Acer Chromebook C740 is a tough cookie. You can grab it from the cover or drop it from a 45 cm height without it suffering any damage. Besides coming with a **rugged, kids-proof design**, it is equipped with latest processor technology to help you get things done faster, boots in less than 7 seconds to waste no time and gives up to **9 hours of battery life**, more than enough for school and fun.

- Latest processor technology
- Automatically updated Chrome OS
- Integrated security and effortless manageability
- Fast Wi-fi performance
- Up to 9 hours battery life
- Google Apps for Education for turnkey productivity

Born to be strong

Let's face it. Kids can be clumsy and might not take proper care of their devices. For parents and schools peace of mind, the Acer Chromebook C740 is much tougher than its predecessors. With a thicker top cover, strengthened with an additional rib and longer hinge brackets, it can **endure a lot of pressure and twist action**.

Additionally, reinforced corners mean you can drop it from a 45 cm height without damages.

User-friendly experience

Well-spaced keys and a good travel distance provide a comfortable typing experience, which is perfect for typing homework or reports. The 11.6" low reflection anti-glare HD display offers clearer visuals, even outside. The built-in webcam supporting HDR imaging ensures great video communication for faultless video-conferences and online learning.

More powerful and faster

Talking about performance, the C740 **features 5th generation Intel processors**, making it the fastest among all the 11.6" Chromebook, and boots up in less than 7 seconds, so precious lessons time won't be wasted.

SSD storage provides much faster access to stored files, helping students to smoothly accomplish their tasks. Connectivity options include Bluetooth 4.0 and latest 802.11ac wireless communication with MIMO for fast Internet speed, even where Wi-Fi connectivity is erratic. Up to 9 hours of battery life provide ultimate on-the-go freedom.

Creative and interactive learning

Easy to set up and ready to go, Acer Chromebook C740 is the perfect device to experience all advantages of **Google Apps for Education**, a set of productivity tools designed to enable teachers and students to communicate, collaborate, and share. It **includes Google Classroom**, which allows teachers to quickly create, review and grade assignments and provide real-time feedback, while each student can keep track of what's due and get organised.

Multiple layers of security

Chrome OS integrates multiple levels of protection to keep the system and data safe. Within Chrome OS, each process runs in a restricted environment that prevents any malicious code from spreading and compromise other applications. In addition, all users data are encrypted and cannot be accessed by other users on a shared Chromebooks.
