## Effective productivity

Powered by 4<sup>th</sup> generation Intel® Core™ i3/i5/i7 processors, **TravelMate P246/P246M notebooks** provide optimal processing performance. Optional graphics solutions enhance graphic/video editing and processing. Support for up to three displays greatly improves multi-tasking and productivity. Slim and compact, it features a 14" HD 1366x768 resolution display with Acer ComfyView™ for crisper images even outdoors. Built-in digital microphone and stereo speakers, together with a webcam with HDR, make for flawless web-conferencing. Full connectivity, including Bluetooth 4.0 and Wireless LAN technology, keeps users connected anywhere their business takes them.

## Robust security and manageability

A complete set of security and management tools, including Acer Office Manager and Acer ProShield, keeps these notebooks protected and simplifies daily operations. The M-DISC™ ready drive permits to store critical documents and data safely and virtually permanently. The fingerprint reader provides secure log in to the system, applications and web sites by scanning your fingerprint instead of typing your username and password.

## Seamless usability

The **TravelMate P246/P246M** notebooks offer more intuitive and efficient ways of interaction. The Precision Touchpad provides a faster and smoother user experience. Through Contact Pickup users can save their contact details on others' smartphones via QR code in a flash. In addition, Face Login let users forget about passwords as it allows quick and safe access to OS and websites thanks to face recognition technology.

## Built for business, built for life

Running Windows 8.1 Pro, the **TravelMate P246/P246M** notebooks allow users to do more things at once thanks to improved support for multiple monitors. Providing the latest in security technology, Windows 8.1 Pro is over 20 times more secure than Windows XP.

## Eco-friendly computing

The **TravelMate P246/P246M** abounds with eco-friendly features such as Acer Power Management and is compliant with EPEAT® Gold<sup>1</sup>, Energy Star® 5.2, and RoHS/WEEE requirements to help business thrive while lessening the impact on the environment.

## Warranty extension program

All Acer notebooks come with a standard Warranty<sup>2</sup> that also includes the International Travellers Warranty - ITW - for the first year. With the Acer Advantage, the warranty coverage can be extended up to 5 years with a priority repair service.
