

Aspire Switch 11

Switch it up to work faster and better

The **Aspire Switch 11** brings together the intuitive user experience of a tablet with the full performance of a notebook. It is available in two models, the **Aspire Switch SW5-171** with a Full HD 1080p display and HD webcam, and the **Aspire Switch SW5-111**, which has an HD 1366x768 resolution display.

- Innovative four modes design:
touch, type, view and share
- 4th generation Intel® Core™ processors
- Tough aluminium cover
- Ultra mobile, thin, light
- Bright and colourful 11.6" FHD or HD screen
- Efficient productivity with Windows 8.1 Pro

Built for business  Windows 8 Pro

Ground-breaking four modes design

Business people need to accomplish many different tasks, inside or outside the office. With four operating modes, the **Aspire Switch 11** can adapt to any situation in a flash. Used as a tablet, it allows to be productive anywhere. When clipped on its docking keyboard via the pioneering Snap Hinge™, it ensure comfortable typing and can be used to share or display content. Thanks to the aluminium cover and Corning® Gorilla® Glass 3 it is tough and resistant.

Business-class performance

Powered by 4th generation Intel® Core™ processors up to Core™ i5, the **Aspire Switch 11** enables smart multi-tasking. Moreover, with up to 8 hours' battery life it supports all-day productivity on a single charge. TPM 1.2 allows easy compliance with organizations security policies.

Extended productivity

The easy, snap-on dock comes with a comfortable keyboard, for better typing and efficient productivity, while the precise touchpad provides seamless navigation and touch experience. Furthermore, the optional Acer Active Pen enables to draw, paint and take notes.

Amazing visual experience

The **Aspire Switch 11** features a large 11.6" FHD or HD screen to easily read and watch any business content. With LumiFlex™ solution, screen readability is always at its best, whether you are in the office or outdoors. The display also boasts IPS technology to ensure clear images from a viewing angle of up to 178 degrees and adopts Zero Air Gap technology, which helps achieve superb contrast and better readability under strong light. A special anti-fingerprint coating keeps the display clean and makes images more vivid.

Built for business, built for life

Providing the latest in security technology, Windows 8.1 Pro is over 20 times more secure than Windows XP. And, with built-in OneDrive you can store, backup and access your content from anywhere .

Security package*

With security package, Acer ensures all the priority support you need so that your new Acer product has the highest level of maintenance coverage. The security package includes: 2 years' Carry-in, 5 working days max in Repair Center, 2 years' International Travelers Warranty and 2 years' accidental damages.
