

## TravelMate | P446

# Full productivity and solid security to boost your business

Designed to boost mobile productivity while keeping data protected from threats and accidental fall and knocks, the 14" **TravelMate P446** is well suited for SMBs looking for good performance, better user experience and longer product lifecycle. It comes in two models: P446-M and P446-MG.

- Windows 8.1
- Latest generation processors
- Fast connectivity
- Fingerprint reader for secure access
- Full HD display option with Acer ComfyView

Built for business  Windows 8 Pro

## Smart productivity

**TravelMate P446 notebook** is powered by latest generation Intel® Core™ processors to deliver better and faster performance while reducing power consumption. With an option for Full HD resolution and Acer ComfyView technology, it ensures impressive visuals, even outdoors.

To enhance efficiency and productivity, it supports up to two additional displays and the chiclet LED backlit keyboard allows typing comfortably even when the light is poor. Enhanced VoIP and video communications enable very clear conversations.

## Complete reliability

The **TravelMate P446** models adopt Acer Disk Anti-shock Protection (DASP) to cushion the hard disk from any hits. They also feature FreeFall protection that detects any sudden drop and stops any hard drive operation, keeping data protected.

## Multi-level security

To protect critical documents and data from unwanted access, the **TravelMate P446** comes with fingerprint reader, while TPM

1.2 provides hardware-based encryption, authentication and credential management. Additionally, Acer ProShield is a pre-loaded application that acts as a portal where users can easily manage their credentials, and create extra layers of protection to keep the devices impregnable.

## Easy upgrade and management

Memory, battery and HDD are easy to access and can be effortlessly replaced or upgraded by anyone. To make things even simpler, only one type of screw is used on the back cover.

Preloaded on **TravelMate P446** notebooks, Acer Office Manager helps small businesses to easily deploy security policies, monitor IT assets and schedule maintenance tasks even without dedicated IT staff and equipment.

## Built for business, built for life

Running Windows 8.1 Pro, the **TravelMate P446** allows users to do more things at once thanks to improved support for multiple monitors. Providing the latest in security technology, Windows 8.1 Pro is over 20 times more secure than Windows XP.
