

How to redeem your game

- Install the latest version of [Tobii Eye Tracking Core Software](#)
- If you're eligible for a Game Voucher, you will receive a notification in the Eye Tracking menu within a day. *Please note though that it can take up to 14 days for us to receive information about your device.*
- Click on the notification to redeem your Game Voucher
- Register or login to www.tobiigaming.com
- Redeem your Game Voucher code
- Once you have your game code you need to activate it in the game portal used by the publisher.

For Ubisoft games the game code format is xxxx-xxxx-xxxx-xxxx

[How to activate your game code on Uplay](#)

If your product is eligible for a Game Voucher, after installing the Tobii Eye Tracking Core software on your device, you will receive a notification in your Tobii Eye Tracking menu. Please click on the notification to proceed. Based on your software version, you may get a secondary menu where you will have to click on the button "Voucher".
