Acer Innovative School Program

INNOVATE. ENGAGE. EMPOWER.

THE ACER INNOVATIVE SCHOOL PROGRAM IS DESIGNED TO SUPPORT SCHOOLS THAT HAVE EMBRACED ACER TECHNOLOGY TO CREATE NEW TEACHING AND LEARNING ENVIRONMENTS.

The program offers Acer Innovative Schools several benefits including the opportunity to:

- apply for receiving two new demo devices (from the range of eligible products) per year for school internal testing and usage
- be part of a social network aimed at sharing best practices, learning and getting support from peers
- attend the EMEA Teachers Advisory Council to learn expert insights on future education trends as well as engage with their colleagues across countries
- benefit of Acer & AppsEvents Global Partner Plus Sponsorship and attend Summits and Bootcamps for free to become a Google Certified Educator (7 places per event maximum)
- host AppsEvents Bootcamps or Summits in their own school. Innovative Schools' teachers can attend these events for free
- join an incentive program to reward outstanding daily activities
- participate in Student Exchange program opportunities
