As a special “Thank You!” for purchasing a ConceptD device Acer has teamed up with Adobe to provide a three-month limited term subscription to “Adobe Creative Cloud All Apps, Individual” (the “Offer”). Before claiming the Offer, you should understand the terms and conditions governing this promotion (“Offer Terms”). The Offer Terms are in addition to Adobe’s standard Terms & Conditions, Acceptable Use Policy, and Privacy Policy (our “Standard Terms”) governing your use of the Adobe services. You must create an account with Adobe and accept the Adobe Terms of Use to be eligible for this Offer. By claiming the Offer, you agree to these Offer Terms in addition to our Standard Terms. Capitalized terms used here but not defined have the meaning given to them in our Standard Terms. Acer and Adobe reserve the right to terminate this Offer at any time.

Offer Eligibility

This Offer is open to users who buy and register a new and eligible Acer ConceptD PC and follow the instructions on [My Products](#) and must be claimed by 31 October 2021. Upon claiming the Offer, users will receive an Offer Voucher Code which will be used to redeem the Offer. Users must redeem the Offer Voucher Code on Adobe’s redemption website (www.adobepartneroffer.com/GO) by the date listed on [My Products](#) to receive the offer. Only one (1) Offer Voucher Code will be made available per eligible ConceptD PC. In the event a user purchases multiple eligible devices and attempts to redeem multiple Offer Voucher Codes, Adobe or its fulfillment agent may request proof of purchase of the additional qualified devices. If the requested proof of purchase is not provided, Adobe or its fulfillment agent reserves the right not to link the user to the fulfillment page or terminate the subscription at any time. The Offer is personal to you and is non-transferable. The Offer is available worldwide, provided Adobe makes the Creative Cloud for Individuals available to end users in that country.
